

**IMPORTANT & URGENT**

**CIRCULAR**

RC.No.17/PESHI/AGICL/2026

Dated 19.04.2026

Sub: Worker Safety Measures During Summer Season – Instructions issued- Reg.

\*\*\*

In light of the predicted heat wave during the current summer season, as advised by the India Meteorological Department (IMD) and other concerned agencies. All Engineering Departments & contracting agencies are hereby directed to take necessary precautionary measures to safeguard workers at all project sites.

All contractors, Departments & PMCs are required to make necessary arrangements, including the provision of adequate and safe drinking water, first aid kits etc., for workers at all times on site.

Further, all workers shall be assigned lighter or indoor work, as far as practicable, during peak heat hours between 1:00 PM and 4:00 PM. The respective PMCs and Engineering team should monitor and ensure compliance of above instructions and to submit report to the undersigned without fail.

  
**Managing Director,  
AGICL**
